NFIs procurement is still being processed per provision of the Procurement Law. Contributory to the increased accomplishments are the deployment and mobilization of NDRRRMC Incident Management Teams during the onset of typhoons that hit for the past nine months, enhanced Habagat, and other high population density gatherings like Black Nazarene Traslacion, Papal Visit and armed conflict in ARMM, and recently held APEC 2015. This caused the heightened alert of regional and central operation centers and the conduct of PDRA and emergency meetings.

PHYSICAL PLAN (BED No. 2)

Instructions

The **Physical Plan** shall contain the performance targets of the department/agency consistent with the targets embodied in the National Expenditure Program (NEP): Section 4 -Performance Informed Budget. *For FY 2014, agencies shall align their 2013 MFO/PI as reflected in the NEP- Performance Informed Budget (PIB), if feasible. Otherwise, current years' accomplishments shall be submitted separately.*

Column 1 Part A shall reflect the Cost Structure, Major Final Outputs (MFOs) and the corresponding Performance Indicators (PIs).

MFOs are goods/ services that a department / agency is mandated to deliver to external clients through the implementation of programs, activities, and projects.

PI is a characteristic of performance (quantity, quality, and timeliness) which will be measured to illustrate the standard of performance by which a department/agency has delivered its MFOs.

It is understood that the corresponding MFOs and PIs for Automatic Appropriations (i.e., Special Account in the General Fund) are subsumed in MFOs under Operations if applicable.

Part B shall highlight the targets of the Major Programs and Projects that are enrolled/attributed to the Program Budgeting Approach per NBM No. 118, and those committed to the President and whose outputs are being closely monitored by the Presidential Management Staff (PMS). These Major Programs and Projects must be duly aligned to any five (5) priority areas of spending of the government, otherwise known as the Key Result Areas (KRAs) pursuant to EO No. 43, follows:

- (1) Anti-Corruption, Transparent, Accountable and Participatory Governance;
- (2) Poverty Reduction and Empowerment of the Poor and the Vulnerable;
- (3) Rapid, Inclusive and Sustained Economic Growth;
- (4) Just and Lasting Peace and Rule of Law; and
- (5) Integrity of the Environment and Climate Change Mitigation and Adaption.

For Programs/Projects closely monitored by the Office of the President, targets shall be consistent with Section 4 - Performance Information of the NEP and Form B of the Performance-Based Bonus (PBB) forms. For other Projects consider those milestones indicated in the approved project profile.

Column 2 Adopt the UACS Code per COA-DBM-DOF Joint Circular No. 2013-1 dated 6 August 2013.

Columns 3-5 Current year's accomplishments, composed of actual performance for the period Jan. 1 to Sept. 30 and estimated accomplishments for October 1 to December 31.

Columns 6-10 Refers to the Physical Targets of a department/agency for the entire year with quarterly targets.

Column 11 The difference between columns 6 and 5.

Column 12 As a rule, the target for the budget year should indicate an improving trend over the accomplishments in current year. Any variance that may arise from current year's accomplishment versus the budget year's targets shall be disclosed/justified under the remarks column.

Upon effectivity of the GAA, in case there were any changes made by Congress i.e., decrease or increase on the NEP level, the OU/agency concerned shall submit a revised Physical Plan on or before January 07.

This shall be submitted to DBM on or before November 30 of the year.
